Happy New Year from our Principal

Hello Panther Families!

As 2020 comes to an end and 2021 begins, we look forward to the return of our students, continued academic success, and warmer weather. Middle School Students who were enrolled in High School classes last semester completed their EOC this month. Third through eighth grade students will participate in APM assessments in early February. In addition, we will be offering tutoring in March to help prepare students for the upcoming FSA testing. Stay tuned for dates and times. I am also looking forward to the celebration of students' academic success during our award ceremonies in March.

Warmest regards,

Dr. Julie Cady

Middle School Soccer

We are getting ready to kick-off the Middle School Co-Ed Soccer season this Saturday at VCS. We will be hosting matches starting at 9:00 am. There was such a great turnout, with over 48 students, during tryouts that we

were able to field two teams. The A Team is being coached by Red Jordan and the B Team is being coached by David Mendez. VCS is looking forward to a successful season for both teams.

Middle School Flag Football

Tryouts and practice begin in February with the first game being February 27th. Check your email for notification on when tryouts begin.
